

# ALL-INCLUSIVE *Eloperments*

Mosaic Party & Event Design has teamed up with Red Door Photographic to offer the ultimate Okanagan elopement experience. We have designed four private elopement packages with stylishly planned ceremonies, and romantic photo sessions – including décor, florals, and licensed officiant – for all-inclusive pricing!

Some packages offer even more, such as a social hour with music, wedding cake and a sparkling toast! From sweet and simple to wild and adventurous, our private elopement packages are the perfect way to say “I do”.

*Stylish . Stress-Free. Memorable*

PHOTOGRAPHIC

*Creative . Casual . Captivating*

Capturing a moment is not about a fancy camera, or a perfect pose. I look through the lens and see the emotions, wrinkles, tears, hope, and fears. All those things that make a person genuine. Let me capture your special moments in this journey of the heart and soul!

- I love to travel. Exotic places, culture, people, food life.
- My favourite food is sushi!
- I believe dogs are meant to be cuddled.
- I think I could live on sour candy...
- I never get tired of seeing the sun set.
- I love working with people who are: in love, adventurous, can laugh at themselves, aren't perfect, and enjoy life!

*Genuine. Fun-Loving. Creative*

I just love weddings, and am so blessed to be living a creative life that lets me be part of them! As a designer, I like to include those custom little touches and hand-crafted details to ensure each wedding is not only stylish and beautiful, but memorable for the couple and their families.

- Jane of many trades: logistics + crafts + baking
- Right + left brained, almost equally.
- Passionate about all things creative
- Often covered in paint, glue, food-colouring, or sugar
- I speak too quickly when nervous and excited
- Notorious night-owl. Meetings before 10am are torture.
- Tacos ... Pasta ... Donuts... Spice Cake = weakness

### 90 MINUTE PACKAGE

CEREMONY + SOCIAL + PHOTO SESSION \$4800

This package is ideal for couples who love the concept of Mosaic Party & Event Designs' signature Pop-up Wedding... but don't wish to wait for one to be announced.

And, unlike our Pop-Up Weddings, you get to collaborate with us on date options, colour scheme, and décor style.

But with your permission and assistance, if we book more couples and officially turn your wedding date *into* a pop-up... you can choose either up to \$800 off your final invoice, or upgrade your photography package with an extended couples' session and a small print package.

What's a pop-up wedding? It's an adventurous, shared wedding date, where each couple gets married privately at a specified time in the same venue and décor set-up in order to save costs.

Whether you want to find a secluded beach by boat, hike up a waterfall, soar in a helicopter to somewhere remote, or have another idea of what 'adventure' means - this package is customized to you! We will research and present the most viable opportunities to execute your wedding date, secure the officiant to make it all legal, and make sure you, and your two witnesses, have a special picnic to share following your vows. Your photographer will be with you every step of the way to capture it all!

#### SELECT AN ADVENTURE

We have some fun ideas, but want to know what gets you excited about doing something out of the ordinary!

LET THE  
*Adventure begin!*

Booking and invoicing will be managed by **Mosaic Party & Event Design**.

We will walk you through a simple Booking Form to capture all the details needed to begin your adventure, and provide you with a Service Agreement and Invoice. A non-refundable 50% deposit is due upon signature of the agreement, with the remaining balance payable 30 days prior to your wedding date. This will ensure you are booked and scheduled for all the services outlined in the package, and let you focus on what really matters – the vows.

You may be asked to sign a separate contract from **Red Door Photographic** – outlining photography agreements. Photo package upgrades (such as prints or services not outlined in your elopement package) may incur additional billing - otherwise you will receive just *one* all-inclusive invoice for your private elopement that will support all the inclusions, services, vendors, and offers we outline in your agreement.
